W. E. Fernie, Esq.,
9 Sunset View,
Barnet, Herts.

Dear Bill,

Thank you very much for your letter of the 9th December giving the information on appropriate life membership payments for the O.E. Association.

I have kept it till now for answering pending a meeting of the General Committee, which after much consideration has almost concluded that what it should do is to raise the general life membership subscription to ten guineas.

Thank you very much for your help in the whole matter.

Yours sincerely,

Ken.
