E. H. Jenkins, Esq.,
Queen Elizabeth's,
Barnet, Herts.

Dear Mr. Jenkins,

Thank you for sending me a copy of your letter to
Mr. Fern.

I have modified the Changing Rooms and at the same time
provided a hedge for protection against the wind, where the boys
have to run round the Dining Hall to the Bath. Also, the cycle
sheds have been re-arranged.

I enclose a print of the possible arrangement for the
Dining Hall tables as the Hall is at present. This gives you three
tables for each House.

Yours sincerely,

Richard de J. Bateson
Bateson is making 17 tables
at 18 tables, i.e. 300.
