Dear Mr. Payer,

May I add my word to the very many congratulations you will certainly be receiving on the occasion of your 60th anniversary of entering the School's service?

It is quite impossible for me to express adequately our feelings of gratitude to you for all you have done, but I hope it is as clear to you as it should be that we are proud to have known you, grateful to you for all you have done, and, not least, humbled by your example of devoted and wholehearted

Service to the School.

I am delighted to hear encouraging reports of your progress, and most heartily wish that it will continue.

May I add my own apologies for not having called on you lately? Moving house in mid-term is not to be recommended - it really does take up far too much time!

With every good wish for your quick recovery,

Yours very sincerely,

Tim Edwards
