CALENDAR

SUMMER
TERM

1939

War having been declared in the Summer Holidays of 1939 fixtures became uncertain, economies were necessary, & the "black-out" conditions imposed restrictions on most school Societies. The School Calendar was therefore not printed in the Michaelmas Term, but the majority of fixtures continued as before & the Chess Club continued to meet. So, with a reduced programme, did the School Society & the Musical Society.

In the Spring Term 1940 also the Calendar was not printed but the Athletic Season was held with a reduced fixture list. The Dramatic Society did not meet, but other Societies (as above) continued.
