

18th February, 1952.

H. E. Fern, Esq., O.B.E., J.P.,  
Springhaven, Barnet.

Dear Mr. Fern,

Enclosed is a copy of a report I  
should like to put before the Governors  
at their next meeting, unless you  
disapprove.

Yours sincerely,

Headmaster.

P.S. Since this was typed, I have had your  
letter dated the 18th about the boiler,  
and am much obliged to you for dealing  
with this. Thank you very much, too,  
for your congratulations.
